

# CQ Cropping & Agronomy Workshops & NGN Forum

25-26 June 2024 | Gindie & Clermont, Queensland

## You are invited to attend a CQ Cropping and Agronomy Workshop and National Grower Network (NGN) Forum with GRDC and WeedSmart.

The Grains Research and Development Corporation (GRDC), and WeedSmart Australia have joined forces with industry stakeholders to bring a Mungbean-focused Cropping and Agronomy Workshop to Central Queensland.

### 1.00pm – Welcome from GRDC

Rebecca Raymond & Sally Dickinson, GRDC Northern Grower Relations Managers

### 1.10pm – Fall armyworm Update

Paul McIntosh, WeedSmart will facilitate discussion regarding the impacts of Fall armyworm in CQ

### 1:40pm – Mungbean Consultation

Building higher yields in Mungbeans with new knowledge.

### 2:40pm – Chickpea Do's and Don'ts

The Do's and Don'ts of Chickpeas in 2024 with a focus on disease and Helicoverpa.

### 3.10pm – WeedSmart Strategies – Paul McIntosh

Tips and Tactics for weeds that won't die.

### 4.00pm – National Grower Network (NGN) Solutions

Discuss potential opportunities for NGN investments in CQ with GRDC GRM's Rebecca and Sally and Crop Protection Manager Michael Thompson

### 4.30pm onwards – BBQ and Networking
