

GRDC GRAIN STORAGE WORKSHOP

Hands-on workshop where grain storage specialists Chris Warrick and Mark Earles will help you optimise your on-farm grain storage.

LATEST GRDC RESEARCH ON

- Storage purchase decisions
- Fumigation and venting to avoid issues
- Aeration systems
- High moisture grain management
- Pest prevention options

These workshops are in conjunction with Riordan Grain Services, a buyer and supplier of grain across Victoria for both domestic and export customers. A fully integrated business with accumulation, transport, storage, bulk commodity handling and packing services.
