every weed every seed
every farm every year

INVITATION

Are you keen to hear how you can increase your cropping yield by incorporating the **Big 6 WeedSmart principles** into your cropping program, whilst networking and gaining new insights?

WeedSmart Week will this year be held in Port Lincoln, South Australia, for growers and their advisors. Please join us as this 2-day event is not to be missed.

The two-day event comprises a Forum (29th July) and a Machinery Expo and Farm Tours (30th July). The event will also include a sundowner event at the end of the Forum (Day 1) and a BBQ at the end of the Machinery Expo (Day 2).

Please register online before the 28th June to receive your early bird discount. Eligible students that register before 28th June will also receive a 50% discount on registration.

For registration, scan the QR code.
