

NATIONAL GROWER NETWORK FORUM

GRDC welcomes all involved in the grains industry to the:

Binnu National Grower Network Forum

Location: Binnu Hall, 26 North West Coastal Highway

Date: Monday 1 August 2022

Time: 3.00pm to 7.00pm (dinner and refreshments from 6pm)

Guest Speakers: Darren Hughes, Laconik

Topics: Carryover of nitrogen between seasons

First up, meet in the paddock where Darren Hughes (Laconik) will be discussing the local nitrogen carryover trial. After this, join us for a facilitated workshop session in town at the Binnu Hall. We'll gather grassroots input into GRDC's investment plans by capturing issues and constraints facing local growers. Participants will prioritise opportunities for local GRDC RD&E support. From 6.00pm join presenters, GRDC staff and panel members for dinner and drinks. Families more than welcome.
