

# GRDC GROWER FORUM

THURSDAY 21 MARCH 2024, 4.30pm - 8.45pm  
PORT KENNY

Photo: Nicole Baxter.

**You are invited to attend a GRDC Grower Network Forum, which will be held at the Port Kenny Hotel on Thursday 21st March, 2024. Come along and contribute your suggestions for future GRDC investments in research, development and extension.**

The forum will gather your feedback and input into your local research and extension needs, and consider how GRDC investments could add further value to the region. The forum will provide an update on local GRDC investments and feature Dr Gupta Vadakattu from CSIRO presenting an update on calcareous soils.

It will also feature an update from Dr Nigel Wilhelm, SARDI, who will present on managing highly calcareous soils considering managing P, utilising bio-char, deep ripping strategies and improving fertility of the subsoil. The forum is free of charge and will be led by GRDC Grower Relations Managers Rebekah Starick and Ruth Peek.

A facilitated workshop session will allow you to contribute the factors which are impacting your farm productivity and profitability. We will also review opportunities for local GRDC research, development and extension support.

All growers, advisers and industry representatives are welcome. Note that registration is essential for catering purposes.

Please bring your laptop or tablet for use during the workshop session. Devices will also be provided.

## WHERE AND WHEN

### VENUE:

Port Kenny Hotel  
19 Flinders Highway  
PORT KENNY SA 5671

**WHEN:** Thursday 21st March 2024

**TIME:** 4.30pm to 8.45pm

Dinner included.
