

AdvanceAg

Adopting AgTech in South Australia

Sunday 23 February 2020 - Welcome & Cocktail Event
Monday 24 February 2020 – Main Event & Showcase

Event Program

Supported by:

Presented by:

#AdvanceAg2020

Primary Industries and Regions SA (PIRSA) is proud to present AdvanceAg - South Australia's first AgTech showcase.

AdvanceAg will discuss the latest thinking in AgTech innovation and demonstrate its practical application and benefits on-farm through case studies from fellow producers, AgTech developers, and known industry leaders.

South Australia's primary industries are vitally important to our state. The agribusiness sectors support 152,000 jobs and contribute \$19.7 billion to the state's economy. Supporting innovation and advancement in the field of AgTech is essential to increase the productivity, growth and sustainability of primary industry sectors in our state.

AdvanceAg provides an opportunity to hear and share ideas on cutting edge technologies from local, national and global sources. These are ideas that can quickly translate to real-world application for our primary producers and is a key priority area for the South Australian Government.

AdvanceAg program:

1. Welcome and networking drinks (optional)

Sunday 23 February 2020
Adelaide Showground, Wayville
5.00pm to 7.00pm
Included in your conference registration.

2. AdvanceAg main event and showcase

Monday 24 February 2020
Adelaide Showground, Wayville
8.30am to 5.00pm

Tickets and registrations:

Register at:

pir.sa.gov.au/advance-ag

1. Producers & Regional Small Businesses (up to 20 employees)

\$50.00 Incl. GST (\$150 subsidy applied)

A producer is an individual, trust or company carrying on a primary production business, alone or in partnership. You are a primary producer if you carry on a business undertaking: plant or animal cultivation (or both), fishing or pearling (or both), tree farming or felling (or both).

This ticket is also available to regionally based contractors, consultants and farm staff. If you work in, or are involved with, on-farm work you are eligible for the producer's ticket.

In addition, other regionally based small agriculture businesses with up to 20 employees are eligible for this subsidised ticket.

2. Non-Producers & General Admission

\$200 Incl. GST
