

HYPER YIELDING CROPS

INAUGURAL NATIONAL RESULTS ONLINE EVENT

Thursday 31st March 2022
3.30pm – 5.00pm (AEDST) VIA ZOOM

Join us online to hear about the **latest management strategies** derived from research that takes **wheat, barley, and canola** to new national yield benchmarks.

Growers and advisers from all regions are encouraged to join **Nick Poole, Dr Kenton Porker and Rohan Brill** online in this Inaugural National online event to hear the latest results covering:

All key aspects and highlights of crop management that are critical to achieving and protecting higher yields in the high rainfall zones (HRZs) and in seasons of higher yield potential.

Simply scan the QR code to register by email.

Please register your attendance with Rachel Hamilton – Ph: 04 2884 3456 or email rachel.hamilton@faraustralia.com.au
